

Cheshire Hike Training 2018-2019

Here is a list of training hikes offered by the District for Scouts and Explorers who are interested in taking part in the Cheshire Hike 2019. Please pass the word around Troops and Units.

The hikes are in preparation for the Cheshire Hike, which will take place from Saturday 6 April to Sunday 7 April 2019.

We desperately need commitment from DBS-checked leaders/helpers on Hikes 3 – 6 to sit on check points to allow a smooth and safe hike for our youth members. If we receive no support, we will have to cancel hikes.

Please book your places for each training via Megan, and appropriate information and forms will be sent for you to pass to hikers. As always, we require Groups to support their teams from Hike 1 with map case and compass, along with any tents/ other equipment needed.
