OUR VISION FOR UK SCOUTING

- By 2023 we will have prepared more young people with skills for life supported by amazing leaders delivering an inspiring programme
- We will be growing, more inclusive, shaped by young people and making a bigger impact in our communities

OUR OBJECTIVES

We asked volunteers what should be prioritised in the strategic plan and the majority said we should keep working towards the same four strategic objectives as in the previous plan:

- Growth
- Inclusivity
- Youth Shaped
- Community Impact

OUR GOALS

These are the goals we aim to achieve in the UK by 2023:

- 50,000 more young people
- 5,000 more Explorer Scout Young Leaders
- 10,000 more Section Leaders
- Our volunteers reflect the demographics of our society
- 500 more sections in areas of deprivation
- 250,000 young people shaping their Scouting experience
- 250,000 young people making a positive impact in their communities
- 50% of young people achieving the top awards

A better future for young people, giving them the character, practical and employability skills they need to succeed

CHESTER SCOUTS

#SkillsForLife

The Scouts offer fun, challenge and adventure to girls and boys across the UK. With over 200 different activities from abseiling and archery to drama, street sports and water zorbing, Scouting helps 6-25 year olds grow in confidence, achieve their full potential and become active members of their communities

Our aim in Chester and District is to offer this adventure to as many young people as we can. We welcome all young people who would like to join us as well as adults who wish to volunteer to help bring Scouting to more young people
