**A better future for young people, giving them the character, practical and employability skills they need to succeed**

## #SkillsForLife

**The Scouts offer fun, challenge and adventure to children and young people across the UK. With a huge number of activities, from abseiling and archery to drama, street sports and water zorbing, Scouts helps 4-25 year olds grow in confidence, achieve their full potential and become active members of their communities**

**Our aim in Chester and District is to offer this adventure to as many young people as we can. We welcome all young people who would like to join us as well as adults who wish to volunteer to help bring Scouting to more young people**
